

Buffalo Creek Christmas Tree Permit Sales for 2014

Cutting Dates: November 28 through December 14

South Platte Ranger District

19346 Goddard Ranch Ct.

Morrison, CO 80465

Permits can be purchased by sending in a mail request or in person at the South Platte Ranger District Office. The mail in form will be available on the South Platte Ranger District's web page starting about October 6, 2014. Mail in forms must be downloaded and filled in showing a first and second choice of the date for cutting a tree and the purchaser's full mailing address. A check or money order for all the permits requested must be included. *Credit cards cannot be accepted for mail in requests.* Purchasers must also include a SASE for each two permits requested; insufficient postage will result in your check being returned to you. **Permit requests must be received by October 24, 2014 to allow time for processing and return mail.** Mail in permit requests will be processed in the order received and return posted starting November 3, 2014.

Mail-in date requests will only be honored as long as permits are available on those dates.

Counter sales at the South Platte Ranger District office will begin at 8:00 am on Monday, November 3, 2014. Cash, Checks and Credit Cards will be accepted for payment of counter sales. The South Platte Ranger District Office is located six miles south of C-470 on Highway 285. The office will be open from 08:00 am to 4:00 pm weekdays for counter sales. The office will be closed on Tuesday, November 11 in observation of the Veteran's Day Holiday.

Due to the large volume of mail in requests that the Forest Service receives, some dates may be sold out before the counter sales begin.

Approximately 7,500 permits will be available in the Buffalo Creek area this year. Once a date has sold out, no additional permits will be available for that date.

Individuals purchasing permits for others (family members, friends, co-workers) shall provide lists of recipients. Permits cannot be re-sold or used for commercial purposes.

Please Note: *Permits will not be sold on site, so please make sure you mail in your permit request with payment to be received before October 24, 2014 or visit our office beginning November 3rd, 2014. We expect all permits to be sold out by mid-November.*
